**DECLARATION OF BRIAN R. CODY  
PURSUANT TO 37 C.F.R § 1.131**

Dear Sir:

I, Brian R. Cody, declare as follows:

1. I am an inventor of the above-referenced patent application, and am familiar with the contents thereof.
2. I currently reside at 10 Magazine Street, #801, Cambridge, Massachusetts, 02139.
3. I have reviewed the Biggs et al patent application publication US 2004/0172451 and the Curry et al patent application publication US 2003/0172116 cited by the Examiner under 35 U.S.C. §103(a) which are dated less than one year prior to my effective U.S. filing date of December 5, 2003, and which shows, but does not claim, the same patentable invention.
4. The subject matter which I desire to claim does not correspond to a lost count in an interference and is not otherwise barred to the applicant.

As is evident from the attached documents (provided in an envelope to preserve confidentiality until such time as the patent issues and the file is open to the public), applicant completed the invention in the United States at least prior to February 26, 2003 (or in a NAFTA country after 12/8/93, or in a WTO country after 1/1/96). I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false

both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.
